OTHER:
I was born and raised in Alaska. My father was an Alaska
State Trooper and my mother, a hairdresser in Wasilla.
My wife, Misty, and I have three children. Since retiring
from the Troopers after 25 years, I have spent my time
working at my business, campaigning, coaching hockey,
fishing and spending time with family.

STATEMENT:
After a 25-year career in law enforcement, I am excited
to pursue another form of public service here in Alaska.
I would be honored to represent the people of District O
as their next State Senator. As a lifelong Alaskan, I am
passionate about ensuring our children can all enjoy the
same bounties of the state that I have enjoyed in my life.

I have spoken with many of you, I agree our priorities are
to be:

- Fiscally Conservative: We must champion a balanced
and sustainable budget.
- Diversify & Stabilize the Economy: We must encourage
and attract new investment by reducing unnecessary
regulations and providing for a predictable business
environment.
- Improve Education: I support choice-based, parent-
driven, accountable, quality education. This includes
increased access to trade and tech schools.
- Strengthen our Criminal Justice System: Ensuring
safe neighborhoods through increased law enforcement
presence and effective prosecution of criminals is
essential for a civil society.

I bring with me tested leadership, as well as business
experience. I will work earnestly with my legislative
colleagues, yet never lose sight of the interests of
my constituents. I will be dedicated to participating
in the process, and by being present in Juneau during
deliberations and votes, as I would be hired to do. I
will continue to serve you with integrity as I have done
my entire public safety career. Thank you for your
consideration for State Senate District O.
